# PRODUCT DESCRIPTION & TECHNICAL DATA SHEET

**SKU:** 01120045
Warning marking in accordance with DIN 30710

**2 x 1 m**

## Characteristics

## Description

**Warning marking 3M 3410 VWM - 141 mm width**

The application package is used to mark vehicles that have special rights under § 35(6) StVO (German Road Traffic Regulations) and complies with DIN 30710. Specially designed for application to painted vehicle surfaces.

***The warning marking does not require edge sealing on the longitudinal edges.***

**An application package consists of right- and left-facing markings in the specified roll length!**

**Width:** 141 mm
**Roll length:** 1 m, 4.5 m, 9 m
**Colours:** white/red

For technical production reasons, we are unable to cut the right/left hatching at the same point. This may result in a slight cut-off of approx. 70 mm. Please take this into account when determining your

quantity requirements.
