Oralite 'Tanker Stickers' VC104, 50 m yellow

Characteristics

Description

Oralite 'Tanker Stickers' VC104 in accordance with ECE 104

Pre-cut stickers for easy marking of round contours, e.g. the rear of tankers or similar fixed structures.

Thanks to Oralite's microprismatic technology, this film does not require edge sealing and is more flexible.

With ECE 104 watermark, adheres to painted smooth surfaces.

Individual pieces: 160 x 50 mm
Roll lengths: 50 m
Colours: white, yellow, red
