Marking spray

Chalk marker marking spray for temporary marking, 500 ml

Characteristics

Description

Stanger chalk marker marking spray - 500 ml

The **Stanger chalk marker marking spray** is the ideal solution for **temporary and highly visible markings** on almost all surfaces. Whether on **grass, asphalt, concrete or earth** – this spray impresses with its **high opacity, fast drying time** and **even colour distribution** thanks to the integrated 360° special spray head with ergonomic protective cap.

Perfectly suited for applications in **construction, surveying, sports, industry, police, fire brigade, rescue services or public order offices**, the markings can be easily removed: **washable and disappears without residue when exposed to rain or prolonged sunlight** – without the need for aggressive solvents or binding agents.

Product features:

- Colours: **White, yellow or red**
- Contents: **500 ml**
- Temporary marking for **lawns, roads, construction sites**
- Suitable for **asphalt, earth, trees, lawns, concrete**
- **Quick-drying**, high colour intensity and opacity
- **Weather-dependent degradation**
- **Free from corrosive solvents and binding agents**
- Ergonomic protective cap with **360° spray function**

Safety instructions:

- **Signal word: Danger**
- **H222:** Extremely flammable aerosol.
- **H229:** Container is pressurised – may burst if heated.
- **H319:** Causes serious eye irritation.

Whether on a construction site, at a sporting event or in action – with the Stanger chalk marker, you can **apply temporary markings quickly, cleanly and flexibly**.

Additional application for fire brigades and rescue services:

Ideal for quickly **marking and clearly identifying deployment sites, cordoned-off areas, staging and assembly areas, and assembly points for personnel and equipment**. With the 360° spray head, **ground pictograms (arrows, letters, numbers)** can be applied to asphalt, paving or grass in seconds – **clearly visible for subsequent units** and yet temporary: rain or cleaning remove the markings without leaving any residue. **This allows incident commanders to maintain an overview even in major incidents, exercises or evacuations without leaving permanent marks.**

Safety note:

Use the marking spray with caution and always read the label and product information carefully before use.
